St Saviour PTA

Help us to raise funds, build community and make school life even better for every child.

Who are we?

We are a friendly group of parents, carers, grandparents and school staff working together to support St Saviour's children and school community.

What do we do?

We organise fundraising events throughout the year. Typical events include school discos, Christmas and Summer events, Easter Egg Bingo, donut sales and refreshments at school events.

Each year we raise over £10,000 to fund things like ICT equipment, playground resources, picnic tables, sports kits, school subscriptions, workshops, coach costs and Year 6 leavers' hoodies.

How can you help?

You don't have to commit to anything long term. Whether you have 10 minutes, an hour, or a day to give - every bit of help makes a difference.

- **Help from home:** fold raffle tickets, wrap presents, source raffle prizes or shop for supplies.
- **Help at events:** set up, carry equipment, run the tuck shop, help on a tombola or serve refreshments.
- **Help with planning:** join the WhatsApp group, come to meetings, share ideas or put yourself forward for a committee role.
- **Help through work:** use paid volunteer days, match funding or charity grants if your employer offers them.

If you buy name labels through My Nametags, please quote our school code 64632 as the PTA receives a percentage from every sale.
